

WELLFULLY

Everyday Needs

Throughout the year, as youth enter and stay in WellFully's residential care programs, many of the things that are needed in their day-to-day lives fall outside of what our program funding can provide.

From the basics of clothing, bedding and health & beauty needs to the extras like art supplies or activities, we are asking for donations from this list that are used everyday, all year long.

Sports & Fitness

**Basketballs, Footballs
& Soccer Balls**
